

Pimples Are Signals of Distress

And By Using Stuart's Calcium Wafers They May Be Removed Quickly, Surely and Harmlessly.

Before the blood becomes entirely impoverished it tells man of its condition. It warns him repeatedly. These messages are conveyed by pimples, blotches, liver spots, eczema, writer's rash, etc. If one disregards these symptoms one runs the risk of permanently diseasing the blood beyond hope of cure.

A Face Made Radiant After Using Stuart's Calcium Wafers in a Beautiful Night.

Don't worry and give up hope. You can secure easily, quickly, harmlessly the very hope you desire if you really wish to remove pimples, blotches, skin discolorations, blackheads, rash, writer's rash, etc.

No matter upon what part of the body the blemishes occur Stuart's Calcium Wafers will really tint your skin, give you better, purer, stronger blood, and thus rebuild your entire body, for blood is the secret of all health.

Calcium Sulphide contained in these pleasant little wafers is the strongest blood purifier known. It abolishes pimples, blotches, skin eruptions, eczema, writer's rash, etc. in just a few days, while in a week or so the change in your complexion will actually astound you.

The beauty that comes after using these wafers is so extremely gratifying to women that they cannot speak too highly of their changed appearance, and hence it is that Stuart's Calcium Wafers enjoy the greatest patronage of any remedy sold.

Building and purifying the blood builds up all that women so much desire—face, skin, nerves and body tone. Thus it is that when one uses Stuart's Calcium Wafers the entire system is glad, and responds in a manner that is quickly felt and speedily seen by others.

CONTEST DRAWING TO CLOSE

Only Three More Weeks Left in the M. and M. Voting Plan.

PUTTING IN SOME GOOD "LICKS"

Those in Lead Are Working Earnestly to Maintain Their Standing in the Last Lap of the Race.

The Bee's Merchants and Manufacturers voting and selling campaign is fast drawing to a close. Only three more weeks remain in which to gather labels and voting coupons to apply on the many valuable and useful prizes.

Busy times are at hand. The many contestants are making a diligent search for labels that carry a voting value. There has been some change in the standings of the various nominees, but the race is so even that it becomes more and more exciting every day.

A careful inquiry is being made by the contest manager as to the manner in which all votes are being secured. Unfairness will not be tolerated. Where it is discovered that votes have been unfairly secured and cast the votes already turned in by such nominees will be cancelled.

Here follow the names and addresses of the leading contestants, arranged in the order of their standing. This list is compiled up to and including Thursday, March 5.
